

# FOUR WHEELIN' WITH FEELIN' CAMPING REGISTRATION 2008

There will be primitive "Special Events" camping at Northwoods Overland where the Rally will be headquartering. By registering in advance you can be assured of adequate port-a-potties and a camping fee savings. The facility has adequate space for those who wish to camp together to save space accordingly.

Each campsite includes one camper (tent, motorhome, etc.)

Campfires are allowed. It would be helpful if you do have a campfire on the ground, that you cut the sod off and set aside and when finished, put the sod back in place so the primitive site area can easily be mowed in the future. Also keep your campfires reasonable and be mindful of your neighbors.

There are no water hookups but an access for water to fill up containers or your camper.

There are bathrooms and showers on the grounds for those who are in the **non-primitive** camping sites. If you are one of those in the non-primitive sites and you are muddy, hose off the big chunks before entering the shower area.

There will be porta-potties and cleaning stations but no shower facilities for the primitive "Special Events" camping sites.

Please fill out the information below and send with payment to the address below:

**Preregistration deadline is September 25!!**

**NOTE: If not preregistered there will be a \$2.00 per night increase in the primitive "Special Events" camping sites.**
